

The Sargent Memorial Library is pleased to announce the first organized Teen Advisory Board! This summer, TAB members can help plan and promote exciting programs, including a Pizza Party and teen movie night. Members will also discuss books, movies, and music, write reviews, and offer suggestions for the young adult collection.

The TAB is a great volunteer opportunity that will help teens strengthen their leadership skills and improve critical thinking while having fun. And just remember, snacks will be served at every meeting!
